

**Wayne County Joint Vocational School  
Education Association**

**Special Executive Committee Meeting  
August 17, 2017  
F122**

Keri Merickel called the meeting to order at 3:03.

Members present were: Brett Gough, Julie Keener, Jen Rue, Amy Tietz, Julia Nichols, Theresa Morgan, Andy Nicholson, Amber Long, Linda Plybon, Dale Tackett, Beverly Squirrell, Liala Zimmerman and Deb McDonald. Absent-none.

Keri recently attended a president's meeting and was informed that on July 1, 2018 Ohio will become a Right to Work State. If 30% or more of our staff choose to go Fair Share our administrators can petition for us to be de-certified. We do not want this to happen.

Also, we may have a grievance regarding 2 of our CTE instructors losing their common planning time with their teaching assistants. Their assistants are being used as STAR monitors during that time.

We have 3 new members this year, Yvette Dalessandro, Sarah Dunlap and Ben McConahay.

Andy Nicholson motioned to adjourn second by Amber Long. Meeting adjourned at 3:28pm.

Respectfully submitted,

Dale Tackett
