

**Wayne County Joint Vocational School
Education Association**

**General Membership Meeting
Aug. 15, 2019
C-115**

Theresa Morgan called the meeting to order at 11:01. She introduced the officers and the Executive Committee.

Jim Harlan discussed the makeup of the negotiation committee and team. He shared that we have some openings on the committee if anyone is interested. We will exchange issues with the board on Dec. 15th and set dates for negotiations.

Theresa asked everyone to watch what is posted on Social Media. Anything that could be considered derogatory to the school can be detrimental to your position. Also, please note that dress code has changed and it is expected for staff to check students regularly. Those in 1st and 4/5 will be held more accountable and could be written up. Administration are planning on doing drop bys to check on students. And staff, please remember to dress business casual.

Liala talked to staff about the importance of our membership and what being a member can do for you.

Meeting was adjourned at 11:30am

Respectfully submitted,

Dale Tackett
